

Photo and Video Consent and Release

Eden Prairie United Methodist Church (EPUMC) takes seriously its responsibility to children and youth. Therefore we will not use images of children or youth without permission. Your consent below gives EPUMC, its officers, staff and other representatives permission to use photographs, video and other images or audio recorded at EPUMC or during an activity sponsored and/or led by EPUMC to be displayed, posted, uploaded, downloaded, printed and /or published without compensation for the purpose to communicate and demonstrate the activities of EPUMC.

EPUMC will not use the personal details or full names (first name and surname) of any child/youth in a photographic image on video, church website, church newsletter or other printed publications. We may use group or class photographs or footage with very general descriptions/titles.

Photos and other images used on the EPUMC website, including *The Tumbleweed* newsletter and social media (including but not limited to Facebook, Twitter, Instagram and YouTube) are available for viewing by the public through internet access. This is why we will not use personal identifiers with photos or images. This permission also allows us to share photos and other images with the Minnesota Annual Conference (MAC).

I give permission for the following Person(s) to be photographed and to have their photographs used for the purposes outlined above. This permission includes photos, video, images, audio and other electronic or digitally recorded media.
